

HALLOWEEN SAFETY

Here are some simple ways you can keep your trick-or-treater safe this Halloween Season!

STAY AWAY FROM FLAMES!

Teach children to stay away from open flames including jack-o-lanterns with candles in them.

Use a battery operated candle or glow stick in jack-o-lanterns.

Dried flowers, cornstalks and crepe paper catch fire easily. Keep decorations away from open flames!

When choosing costumes, stay away from long trailing fabrics.

Remember to keep exits clear of decorations so nothing blocks escape routes!

Make sure all smoke alarms in your home are working!

Make your home safe for everyone! Consider adding fire sprinklers to your home!
